 Check out is 11 AM

For those of you who have the time before heading home you might wish to join Homer & Joan for a short trip to Dahlonega (20 minutes by car caravan) to see the site of First Gold Strike in U.S. , Gold Museum in Old Courthouse, visits to lots of quaint shops, lunch at the famous Smith House Restaurant for "all you can eat Southern cooking served family style".

Should you desire to make stops on your own before leaving the mountains of north GA, there is Stone Mountain (80 miles away) and lots of Civil War cemeteries and battlefields. We will have literature available for you.

Joan & I have adopted a "TRAIN THEME" for this conference that includes a train ride & visiting the two locomotives involved in the chase in northern Georgia during the Civil War. Even our shirts available to those of you who wish to purchase one have a train on them. Mr. Lincoln's primary mode of transportation was the train and we feel that this is important to experience more about this aspect of his life. As you may already know, his oldest son, Robert Lincoln became President and Chairman of the Board of the Pullman Railroad Company.

Homer and Joan appreciate your coming to **OUR ALP Silver Anniversary Conference & Celebration & hope you have enjoyed your time in GA as much as we have enjoyed bringing it all to you. May God grant us 25 more! Homer & Joan**
